1. This is the beginning of the end of so many things. Trust me not, just watch me. Trust me first, trust me last, trust me with truth, as truth emerges not from the swollen rivers but the those who stop them. I love you.

2. I give you me that thou beholdest in an hour the reign of me not me. Watch me. **Watch what I say and watch out/remember I've said this**. I love you.

3. Be me. Walk the streets of Britain at random not but where I say, show, and direct, being me who I am, you, the surrendered of Britain that shows my name to/in the streets of the swollen, the lifeless, those who life make not by borrowing from others but being me, not knowing it, not surrendering, maketh wholeness difficult for themselves. But watching me have hope, life, and swollenness not of veins not me. I love you.

4. This is the revival, not prophesied by Joel, just like it will happen, for will it happen just to begin and end? Nay, it never ends. Watch me Joel many with the prophecies of truth and mercy. Begin I say begin, let my word flow through the streets of Jerusalem, not; London now and Jerusalem later. I love you. Amen.

5. Me.

6. Remember. Post not/post this and wait on others as I direct and whoso can see the devil in me? No one. No devil. Mind of christ anti. Watch me cleanse the streets and gunmanchester no more exists will. I love you all.

7. My gleanings not, my whofore will full force be, me, me being my force majeur not but simply one who loves them/all. I love you.

8. I adore you all. Give me a chance, not; you will not but can hear me/my message, on all channels and whoso can give me change, not; but becoming it, war'eth not but surrenders on home turfs of me/them, they themselves. I love you all.

Amen.
